

MULTI SHELTER SOLUTIONS

Self Sufficiency Packages

1-866-838-
6729

WHAT ARE THEY?

As an interest in growing our own food and being more self sufficient becomes an important value in today's society, Multi Shelter Solutions wants to offer a solution to those new to growing: *something simple, practical and easy to get started.*

~ Slightly higher ~ Snow Resistant ~
~ Not high enough for Wind Impact ~

STEPS FOR CHOICE

1. Choose Your Size*
2. Choose Your Cover Option
3. Choose Any Add On Value Option
4. Place Your Order

SIZES

Single: 10' x 9' x 8'8"

Double: 14' x 24' x 9'7"

Family: 18' x 30' x 10'6"

Please note these packages are different from our made to order structure kits, as these are meant to speed up quoting & ordering and as such are not able to be modified to be eligible for the special package pricing for these units. They do not have engineered drawings available and are sold for customer assembly

The structures you provided track like a dream on the skis behind my tractor. Production is way up compared to what I am used to and what I was expecting. I love the buildings and the chickens seem to enjoy it as well"
Kurt of Woolly Mountain Farm in Nova Scotia

"Absolutely the best folks to buy your structure from!! Knowledgeable, Innovative, great customer service, not to mention very reasonably priced. We will be purchasing from them again!"
Cara Greenlaw

"The combination of the pdfs, videos and instructions that came with the product are great. I'm very impressed with the products and support offered by Multi Shelter Solutions."
David Welsh
